

# AUGUST

## MORNING OFFERING

Father, lead me to find my home in you. Help me to seek you in my day and find your presence in the people I meet. Remind me to see each person as my sister or brother.

## THE TREASURE OF FAMILIES

That any far-reaching decisions of economists and politicians may protect the family as one of the treasures of humanity.

## REFLECTION

Lord Jesus,

Be the animating presence at the heart of our families. In our hardships, be a source of togetherness. In our joys, help us to praise you.

Ennoble those in positions of responsibility to always consider the best ways to assist families sliding into poverty and upheaval. Lead them to support families in forming homes where hope can reside.

May each home be a safe place to renew spirits for the challenges and opportunities of everyday life. Be with us in the sharing of meals, conversation and life, that you may draw each of us closer to one other and to you.

*Our Father; Hail Mary; Glory Be*

“In the family, there are indeed difficulties. But those difficulties are overcome with love.”
