MORNING OFFERING

Jesus, you offer me friendship. Friends make time for each other; help me to spend time with you.

SOCIAL NETWORKS

That social networks may work towards that inclusiveness which respects others for their differences.

REFLECTION

Creator God,

You are the source of all creativity. Help your people harness this energy for the good of others.

Animate the building up of communities which work for an end to alienation and loneliness. Move your people to create a culture of solidarity which upholds the dignity of all.

Give me gifts of understanding and openness to others. Help me to be a true friend.

Our Father; Hail Mary; Glory Be

‘ It is not technology which determines whether or not communication is authentic, but rather the human heart and our capacity to use wisely the means at our disposal. ’
